

Errata and corrections to Phylogenetic Trees Made Easy, 3rd Edition

Errors are listed cumulatively by date, with the most recent errors listed first

July 21, 2007

1. Page 55, 5 lines from the bottom: The first word on the line, "accuracy", should be "identity".
2. Page 891: In the first alignment the column numbers 4567890 should be shifted one column to the left.
3. Page 138: The last sentence in the Learn More box should be deleted. The cited paper has been retracted due to a bug in one of the programs used in that paper.
4. Literature Cited: The Hall and Salipante 2007 paper should be deleted.
